

Matchbox Fire Safety Craft Template

Directions: Print this template onto white computer paper. Decorate the paper with crayons. Cut the fire safety tips into thin strips. Follow the Matchbox Fire Safety Craft instructions to make your own set of safety matches!

Don't play with matches, lighters, or candles and make sure you do not get too close to woodstoves or fireplaces.

Don't play with electrical cords and stay away from electrical sockets.

Make sure to have supervision when you are cooking in the kitchen. Tie back long hair and push up loose sleeves.

If there is a fire, do not hide. Go outside!
